

Word Master Debate Training Program

2025-2026 New Debaters Selection Announcement

Announcement to Second-Year Students

Students who are interested in joining the **Word Master Debate Program** are invited to attend a **selection interview** on **Monday 17, November at 12:30**.

The **Word Master Debate Program** is a specialized training initiative designed to enhance students' skills in debate techniques, argumentation, and critical thinking.

We encourage all motivated and enthusiastic second-year students to take part in this opportunity.

Location: Room 3 – ISPLTI

Time: Monday – 12:30

1

Debate Foundations

Learn essential techniques for building strong, well-structured arguments.

2

Critical Thinking

Develop the ability to analyze issues deeply and evaluate arguments effectively.

3

Public Speaking

Improve delivery, clarity, and persuasion through guided practice and feedback.

About the program

A two-year training program designed to help students master debate skills, strengthen argumentation, and develop confident public speaking.

What we offer

Workshops, practice rounds, and guided coaching to strengthen argumentation and analytical thinking.

Why Join?

Enhance your communication skills, boost your academic confidence, and become part of a dynamic debate community.
